We are writing to inform you of our annual free activity which has been organised for children in Year 6.

This event deals with safety issues and is led by various organisations such as the Fire Brigade and Police. It is a fun and educational event. As this event is held within school time, from 1pm-3pm, lunches will not be affected and will remain the same as usual.

We will be walking to the event so please ensure your child has a suitable coat with them on the day. If there are any parents who would like to help, their assistance would be most appreciated.
