

GHYLLSIDE AFTER SCHOOL CLUB
AND
GHYLLSIDE HOLIDAY CLUB
SEPTEMBER 2017 - 2018

Whilst your child attends Ghyllside Out of School Club we want to ensure that they are happy and comfortable. Occasionally children need to have their clothes changed, as they are wet, covered in paint or have had an accident. During the summer children may need to wear sun screen that we cannot apply without your consent (please note that parents are asked to provide sun screen). We will take care of children who have hurt themselves and will contact you if necessary, should your child sustain a minor injury we ask for your permission to put a plaster on your child - please let us know if your child needs hypoallergenic plasters.
