Dear Parent/Carer

13th November 2019

Year 5 Bread Project

Over the next 2 weeks, as part of a design and technology project in school, we will be learning how to make bread and designing our own bread recipes. If your child has a baking apron, scales, wooden spoon and a large plastic mixing bowl, please could they bring them in to use that would be really helpful. Please name them.

We will be baking on the following days:

- Thursday 21st November 10.45am - 12.30 approx **
- Monday 25th November 10.45am - 12.30 approx **

** we also need one person to help bake the loaves from 1.30 – 3.30pm in the afternoon on both these days.

We really need help with the baking so if you can help out we would love to see you. Many thanks for the offers of help we have received already.

We have to ask for a voluntary contribution of £1.50 to cover the cost of purchasing lots of different breads to taste and ingredients for the two baking sessions. Please send this in with your child in the next week.

Many thanks for your continued support,

The Year 5 Team
