Dear Parents/Carers,

20th September 2019

Local Trips

Throughout the year your children in Reception will have the opportunity to visit a variety of settings in our local area, all of which will be in walking distance from school. Examples of these are weekly group trips to Summer Hill Residential Home, Greenside Allotments and Serpentine Woods. We are writing to ask you for permission to take the children on these local trips so that we do not need to send out permission slips each time.

We will always let you know in advance if your child will be going out of school and a full risk assessment will be completed.

Many thanks,

The Reception Team

I give permission for my child to attend school trips in the local area during Reception 2019/2020

Please Circle: Yes No

Childs Name: _____

Parents Name: _____
