Dear Parent/Carer

5th September 2019

Year 4, 5 and 6 Micro:Bit Code Club

I will be running a series of 5 after-school Code Club sessions where children from Years 4, 5 and 6 can learn how to code and use a BBC Micro:bit. During these sessions, children will complete several projects, including a 'frustration'-style game and an interactive badge.

The club will run in the ICT room on Monday afternoons between 3.30pm and 4.30pm, beginning on 16th September. The final session will be 14th October.

If your child would like to take part, please complete the form below and **return it to me by Thursday 12th September.**

Many thanks

Helen Baron
