Dear Parents and Carers,

20th June 2018

KENDAL POLLINATOR'S PROJECT FOR Y6

Ghyllside School has been invited to take part in the Kendal Pollinator's Project which is a project owned and managed by South Lakes Action on Climate Change.

We have been asked to participate in two projects which investigate the impact of climate change on wildflowers and insects. On Friday 29th June, 24 children will take part in a Wildflower Survey along the old canal path by Kirkbie Kendal School and then an Insect Survey, in the same place on Friday 13th July. These sessions will last an hour from 9.30 – 10.30 am.

If you would like your child to participate in this project, please sign and return the form below by Monday 25th June. If any parents would like to help on either days, then please talk to the Class teacher.

Thank you for your support,

Yours sincerely,

Andy Phillips

Liz Meyfroidt

Please return to the class teacher by Monday 25th June.
