Mrs Braithwaite, Mrs Hansen.

SUGGESTION BOXES -

- Year 5/6 girls cloakroom - a request was made for more locker space. However, unless additional actual space can be found in school it is not possible to provide more lockers. Rori and Bethan volunteered to look around the school for any suitable spaces.

An area just outside Year 4 LA classroom near the door to the big yard was identified as a potential site.

ACTION - Mrs Hansen and Mrs Braithwaite said they would look into this.

- Please can we have astroturf under the Playdale equipment?
- Please can we have benches around the big tree on the Playdale area?
- In line with the current drive to reduce the amount of plastic used globally, please could we look at ways we could reduce the amount of laminating in school to help reduce our use of plastic in school?

- There are currently no basketball hoops for playing on the yard - both previous ones got damaged. Please could we have some replacements?
- Please could the Year 6 classes have some time in the woods, possibly after SATS?

UPCOMING EVENTS -

Swimathon - Sponsored event on Saturday 10th March, 5.00pm at Kendal Leisure Centre. We currently have two full Year 6 teams. We need some more Year 5 children to make up a team.

Fun Run - whole school sponsored event in school, - resurrected to raise much needed funds for our outdoor reading area. KS1 & KS2 on Tuesday 12th June, 9.30am start. Reception event to take place during the morning of Wednesday 13th June.

DATE OF NEXT MEETING - Friday 23rd February 2018
