Dear Parent/Carer

10th October 2018

RE: Year 4 LA Martin Mere Trip Final Arrangements

Just to confirm the final arrangements for the Viking Day at Martin Mere on **Wednesday 17th October.**

- Children to be at school, straight to the classroom, at 8.15am please.
- The children will return to school at 4.00pm (approximately, depending on traffic!). Children can be collected from the coach by the car park.
- Please ensure your child has a **couple of drinks** for the day (but no glass bottles or fizzy drinks please).
- Please ensure your child has a **packed lunch – contents as the information on the sheet specified if you can!**
- Children should try to dress up in **typical Viking clothing** if they can.
- Please ensure your child wears **wellies, walking boots or good trainers**. They must also have a **waterproof**. We are outside all day and it may be wet.
- If your child gets travel sick and usually takes **medication or wears travel wristbands**, then please inform us and make sure they have them for the outward and return journeys. If your child has asthma please ensure they have their **inhalers**.
- **No spending money is needed.**
- We will be taking the class cameras so children do not need to take them.

Many thanks,

Lisa Andrews
