Dear Parents/Carers,

16th January 2019

Year 5 & 6 Scratch Coding Club

Would your child like to come and join the Year 5 & 6 Scratch Coding Club, Thursday mornings 8:00am – 8:45am in the ICT Room.

First session: **Thursday 24th January**

Last session: **Thursday 7th March**

They will learn how to program sprites to move in different ways, and to interact with each other. Using these skills, they will then program simple versions of classic retro games – e.g. Pong, Asteroids and Space Invaders.

If your child is interested in attending, please return the slip below by Friday 18th January. There are spaces for 20 children. You will be notified if your child has been given a place. (Places will be allocated by being drawn out of a hat.)

Many thanks

Mr P Giblin

Please return to Mr Giblin – there will be a tray on his desk for returned slips
